HARDY OUTDOOR CHRYSANTHEMUMS (Hardy October Roses)

There is probably nothing so valuable in the hardy plant line as the Outdoor Chrysanthemum. They grow well in any well-drained soil and are very valuable as cutflowers at a time when other cutflowers are scarce. We grow a splendid collection in the three prominent classes and our stock, being grown on well-drained fields, is the best that can be bought. The stock we are offering is strong fieldgrown clumps.

CHRYSANTHEMUM MAXIMUM (Giant Moonpenny or Shasta Daisy)

	Per Doz.	Per 100
ALASKA. (Common Shasta Daisy) A much improved hardy Daisy, bearing a profusion of large white flowers from early summer until late in the fall. Fine for cutflowers. 2-2½ feet.-----	\$ 1.20	\$ 8.00
KING EDWARD VII. (Improved Shasta Daisy). We are safe in recommending this variety in preference to the above. The flowers are of a pure white, much larger than Alaska, come more in single stems, hardly branches out and will stand the winter when the Alaska freezes out. Best for florists use.-----	1.50	10.00
MRS. C. LOWTHIAN BELL. This magnificent white Marguerite is undoubtedly the largest flowered variety of its class. Flowers frequently measure six inches across with very broad petal of great substance. 2½-3 feet. Extra for florist's use.-----	2.00	15.00
GLORY OF WAYSIDE. A beautiful white Daisy flowering abundantly in early May. Excellent for florist's use.-----	2.00	15.00
LEUCANTHEMUM FLORE PLENO. (Double White Shasta Daisy). Flowers double, pure white, of medium size. Excellent for cutting, each plant producing from 30-50 flowers. Perfectly hardy.-----	2.00	15.00
ULGINOSUM. (Syn. Pyrethrum). Giant Daisy. Grows 3-4 ft. high, covered with large, white, daisy-like flowers all summer.-----	1.50	10.00

DELPHINIUM (Hardy Larkspur)

The Delphinium is beyond question the Queen of all Blue Flowers. Their wonderful stateliness and their loose, graceful shape of flowers and fine blue colors, make them suitable for most any floral-work and indispensable to an up-to-date Florist. As cutflowers they bring good prices at any time of the season and especially when forced even as high as \$3.00 per dozen is realized, which is often cut from only two plants.
